

Overview

Chain coupling for RW 45 - tube

Product number: 32031100

Options

Version

Tube 1"

Tube Ø 2 "

Tube Ø 5/4 "

Description

Chain coupling connects motor gearbox chain wheel with a drive shaft and provides higher flexibility of the driving system.

The coupling gets welded to drive shaft.

The duplex chain of this coupling enables the drive shaft to move in the line. Such a structure creates the higher flexibility of this drive system during dynamic external influences and during movements within the greenhouse construction.
