

Overview

Cable tensioner device

Product number: 01600105

Description

Our cable tensioner device works in combination with the included belt as a support for holding cables and wire during tightening.

It can be used for manual tightening or with a tightening unit.

The cable tensioner is suitable for wire ropes from a diameter of 1 mm up to a maximum diameter of 38 mm.

Insert the belt into the eye of the cable tensioner device.

Material: Galvanized Steel
