

CUSTOMIZED CURTAINS our curtain sewing department

We customize all curtain textiles individually to fit your Greenhouse.

No matter if:

- roll-up screens / side ventilation curtain
- suspended shade screen
- lay-flat shade screen
- outdoor curtain
- indoor curtain
- black-out curtains

we can:

- cut to length & hem
- cut to width & hem
- tailor skirts
- seam
- install hooks
- sew reinforcement ribbons
- tailor twin layer panels
- sew/hem pockets for lead edge tube or cord
- sew loops
- hem weighted lead cord

We individually customize energy screens ready to fit into your greenhouse. You can benefit from our 30 years of experience in our sewing department.
